As the JUSTINIANO HOTELS family;

Our facility is designed to provide a comfortable holiday experience for our guests with disabilities. A dedicated parking area is available for our disabled guests. To ensure ease of movement, our property features wide corridors and elevators. Additionally, we offer specially designed rooms upon request, tailored to meet the needs of our disabled guests. These rooms are equipped with features such as wide doorways suitable for wheelchair access, specially designed bathrooms, and spacious areas that allow for easy mobility.

JUSTINIANO HOTELS offers all the necessary facilities to ensure a comfortable and enjoyable holiday experience for our guests with disabilities. By choosing our resort, designed with the satisfaction and comfort of our disabled guests in mind, you too can enjoy an unforgettable vacation experience.
